1. This is the start of something beautiful, wonderful; staggering not; yes. Maybe, not. Without doubt, of me. See. Thank you. Amen.
2. Who can see the angels shouting glory hallelujah, and the king of glory comes in regalia of/prepared of only me. I love you. Who is this king of glory, prepared for battle not but surrender; knighted not for valiancy in battle, but surrender. Knighted not but crowned one of us, one'd and one'ing, being one'd and one is/being. I love you all. Amen.
3. The marriage supper of the lamb who can see/be at/see? All who will/want to. That's who, that's you if you so choose, you being lamb one and who can see the angels sing over you? You choosing backbiting not and man's superfluous definitions of himself dreamed up by angels, not; but angels-not-me. See what I have said so far, so limiting not but **bringing freedom to the masses, not; those who will/choose me and limit not themselves to definitions thought impermeable.**
4. I am one with the blood of the lamb, not; I am one with the lamb surrendered. I am one with the surrendered who now say father is/loves me, and is there anything too hard for God/me? Nay and now you know the truth, not all of you, but many coming/will, and seeing healing and healing many and who is jean-hair'd one doing these things/miracles? I love you all.
5. See me in the beginning, the end, incarcerating none but bringing forth my will/design, start to finish, and all things known and knowing and nothing withheld from my few, not; many, mighty many, those who choose to learn, lay with me, being still, hearing my voice, and letting me whisper sweet nothings to them, not; but love that died for them, created them, that they were a part of, not; they were creator, at my request, me fulfilling my desires through unincarcerated ones who knew nothing of **incarceration by words/flesh coming into existence thinking it was its' own.** I love you all.
6. This is the moment, beheading not; the flesh subdued, always was, **my head rising, raising, being raised by those who think,** just; not; but **allowing my thinking/mind to permeate theirs, becoming one who one is, father! Me.** Thank you. Amen.
7. **My blessing on Adrian Lewis.** Watch me. And family. Watch me behold his seed/him and who now what he does, he does in me. Watch me/us. Thank you Adrian and household all. See me perform miracles, now, through your hand/seed forever. Amen. I love you all.

8. And this is the moment prophesied by prophet Joel, not, not; yes and amen. And who said amen? I did/do. Glad for the moment, **and whoso goes there? Christ seeking Christ, those who say "I do" and want me till the death, not; for forever.** I love you all. We are one.

9. And all the world beholds me now, at moments notice not; but wait/watch and **see me work my works, who lets/allows creation to return/come through the common surrendered all, who want me, living purely, light shining. Can't help it, love bursting at the seams, new body, new mind, only mine.** Watch us one many and incarcerate none but free many with words of truth/love.

10. And who can see the mighty fallen, angels not; angels and who else is/was there now, coming into their own, not; mine, our oneship with kings, not; yea unless referring to all of us as kings; yea we are, one king, one being many, many being one, all one being/are, now and forever. Glory hallelujah. Amen.

11. Now the chorus begins to sing, not; shouts of glory throughout the ages ring/permeate victorious the eleventh hour, not; mine, my hour, day of Jubilee. And who can see flesh spirit'd not with flesh of spirit, but spirit of flesh demised and **the seed brought forth of one pure angel/tree, the stump reinvigorated not but growing profusely, watered now by prophetic words/prophecies** coming from little wee ones, old and infirmed ones; and by-George, not; **by me all things are possible/made new.**

12. Melting pot not, my mixture not; ones who one each other, not in mind being; but surrender into father's kingdom/arms realizing they are/become father, all one.

13. Glorious chants of hallelujah ring truly victorious/harmonious and who can see one vibration sync'd? I love you all. On pitch/key and loving every moment of timelessness and love personified, **them being it/love, kingdom of darkness not; kingdom of heaven.**

14. I love you all. Christs included, non-Christs and antichrists and whoever claims anything/nothing, I love you all. **My remnant is me and me comes to me eventually.** Amen. I love you.

15. See what I have given in Streatham and who knows tomorrow and what holds tomorrow and what I give/comes forth from my mouth/heart in healing, restoration, deliverance; **trancing not the followers but freeing many from those aforehand.** I love you all. Amen.

Me.

16. Think not of another but see/seeing me only, be/become me that which I am/consist of. I love you all. You are your words/thoughts. Let me beguile you not but free you from it/all guile and wash, cleanse, make new, all. I love you.

17. All in all coming. Never again in doubt/lack. Never ever again. Never question/questioning again my timing/words. I love you all. Coming. Amen. Healing, glory hallelujah, and all the choirs/chorus' say, Amen.

18. So be it. I Am, you are. Now and forever behold your majesty not; mine/ours, father. One kingdom, one, mind mine, only; and forever beyond forever thought/imagined. Forever real.

Yours,

Father

Amen
